The candles on the altar are in loving memory of our friend Nicholas Fiedler.

Happy 65th wedding anniversary today to Phillip's grandmother Adelia Polozov.

Best wishes to Pauline's grandparents, Margaret and John Litchfield
who are about to celebrate their 60th year of marriage.

A special welcome to Pauline's students and their parents
who are here today from St. Patrick's Borremeo School.

We want to thank everyone for sharing this special day with us.
We especially appreciate the unconditional love and support of our parents.
It is through the love of our dear friends and wonderful families that
our relationship will grow. We thank God for our future
and for each other. God bless you all!
